MESA Recruitment (REPEAT)
There is less than a month left before MESA Enrollment forms are due to the UCLA MESA Office. It is important that you all get the forms in on time to me by the deadline. There is a lot of work that must be done once we receive the enrollment forms. This year the student CASSID# must be included on each form submitted. This information is needed so that MESA can better track students entering California universities and colleges after graduation.

Please try to adhere to the guidelines as much as possible the guideline.
