**MESA Enrollment Forms**
The UCLA MESA Enrollment & Parent Authorization Forms are this Friday Oct. 30, 2015.

Before submitting the forms, please make sure that the forms are completed and signed and the CASSID# MUST be provided for all students. If a form does not have CASSID #, it will be considered incomplete and the students will not be enrolled in the MESA Program.

It is important that enrollment forms are submitted by the indicated deadline. The forms must enter them into a database and this takes a lot of time. Advisors are required to submit a minimum of 40 forms each (25 for new advisors). The forms can be mailed, dropped off at my office or I can pick them up.

If you would like me to pick up your forms, email me to let me know by **Wednesday, Oct. 28, 2015.** Leave the forms in the main office of your school and I will pick them up from the office.
